
STEPPING UP... ON THE PODIUMS, THAT IS

As the end of the first semester approaches the young Ascendis Health learners have really been throwing their all into the races in order to show who deserves the rewards programs on offer the 2nd semester of the program.

In Cape Town, Matthew Fortuin has a firm grip on the top step of the podium in the league races, whilst a very welcome progression was made by Aviwe Matina to join Matthew on the podium at the iKapa Military Base criterium.

In Oudtshoorn the newcomers to the academy, Benino and Morneal have been ripping it up in the Eden district, grabbing another 1st and 3rd respectively in the Meiringpoort MTB festival race.

The June exams are upon us. Another crucial performance review point for the academy rewards program. We wish the learners best of luck during this time!
