

South African Track Champs and Battle of the Bikes

A Huge shout out to Matthew Fortuin from our Kinetic satellite club who walked away with 5 gold and 3 silver medals at the South African Track Championships held at the Bellville Velodrome!

In the Eden district the new learners didn't let any grass grow beneath their feet and came in swinging the punches with Bernino Hans taking 2nd and Monreal Essau 3rd in the Battle of the Bikes, Laingsburg.

As winter approaches and the winter league dawns on us the pressure will be mounting as to who will be the selected few taken up into the Academy rewards program for the second semester of 2017!
