## MARKET UPDATE

---

Shareholders are advised that the Company continues to receive a number of highly conditional, non-binding proposals and expressions of interest ("**EOIs**") to make an offer to acquire Ascendis Health shares. When an EOI is received, the board of directors of the Company ("**the Board**") will assess it carefully from both a quantitative and qualitative perspective. To the extent that the terms of any EOI received have merit and, having regard primarily for its regulatory obligations and also taking into account any confidentiality requirements stipulated in the relevant EOI, the Board will publish the appropriate announcement at the appropriate time.

The Company would like to remind shareholders that they should base their investment decisions regarding Ascendis Health shares on announcements published by the Company itself and not on information from other sources, which may not necessarily be accurate or based on a complete set of facts.
